Ceiling panels**Armstrong World Industries Building Products Division****1-(877) 276-7876, Ext. 6278****Beaverton, OR****www.armstrong.com/recycle**

Used mineral fiber ceiling panels and some fiberglass panels
 Armstrong and competitor's panels accepted
 Panels recycled locally in St. Helens, OR
 Ceiling panel recycling eliminates landfill and drop-box fees and contributes toward the points needed for LEED certification
 Call Keith Mullen to confirm whether your renovation project qualifies for Armstrong's ceiling panel recycling program
 Fee: Armstrong pays freight back to the recycling plant for truckload quantities more than 30,000 square feet. Quantities of less than 30,000 square feet can be handled through local Armstrong distributors with minimal fees. Call for more information.

USG Sustainable Ceilings

Erin Gosende, 503-516-9188

Portland metropolitan area

Used mineral-fiber suspended ceiling panels

Any brand of tiles accepted

Minimum 30,000 square feet

Panels must be stacked and shrink-wrapped on pallets

Not accepted: panels from installations where hazardous materials have been used, foil-laminate panels; fabric- or vinyl-faced panels; wet, moldy or weathered panels; wood-fiber panels; custom-painted or post-painted panels

Fee: Free pickup from job site and recycling at USG plant if renovation project qualifies

For more information, call local USG representative Erin Gosende, or visit www.sustainableceiling.com.
